

1891 Census for England, Wales & the Channel Islands

The names are indexed initially by County, then Parish and then age. In some parishes there were several different Westaway families. If you contact me by e-mail where there is a specific entry you need, I will e-mail you the full information, free of charge. The second section is sorted in alphabetical order with an identification number that can be used to find them in the correct parish.
